"Crocodile Tears ..."
Elementals explores the ideas of
fire and ice in several different
ways. It varies from "Cold", a
fairy tale story with literal fire
and ice in the form of an ice
princess who marries a fire
oriented prince, to "Crocodile
Tears", a modern story with no
magic where the ice manifests as
a motif symbolizing guilt and
grief. Thu, 20 Aug 2020 17:54:00
