GMT A Talking Guinea Pig -
metacafe.com - Guinea pigs eat
vegetation and do not require
water to drink if supplied with
sufficiently moist food, but they
must have water if fed dry
commercial food.They breed all
year in captivity. Females bear up
to 13 young per litter (4 is
average); gestation takes 68 days.
Although the young can scamper
about and eat solid food the day
they are born, they are not fully
weaned for about three weeks.

Noises & What They Mean -
YouTube - Guinea pigs obviously
don't speak human language but
that doesn't mean they don't
communicate. By using sounds
and postures just like capybaras,
guinea pigs can actually say a lot.
Though you may not understand
all the noises they sometimes
make, there are things they do
that have a fairly clear meaning
and that can help you understand
