Linz Free ... - I enjoyed Ms Linz's  
latest MAD, BAD AND  
BLONDE. Faith and Caine are  
likable characters and the conflict  
between them felt real. The  
dialogue is fast-paced and fun. I  
especially enjoyed the secondary  
characters, but I really wanted to  
know more about Aunt Lorraine  
or at least have someone put her  
in her place. Though at times the

collection sheds new light on the  
problems of people with mental  
health difficulties in the criminal  
justice system. It carefully shows  
that we cannot just label people  
as "mad" or "bad" but must  
instead consider a complex set of  
interacting social, psychological,  
legal and circumstantial factors,  
in order to understand how people  
become caught up in crime. Tue,

Sad Glad Retrospective -  
TeamRetro - It is common for  
philosophers to argue that  
psychopaths are not morally  
responsible because they lack

some of the essential capacities  
for morality. In legal terms, they  
are criminally insane. Typically,  
however, the insanity defense is  
not available to psychopaths. The  
primary reason is that they appear  
to have the knowledge and  
understanding required under the  
M'Naghten Rules. Tue, 24
