Mounting Fears by Stuart Woods: 9780451227751 ... - Mounting Fears is the seventh novel in the Will Lee series by Stuart Woods. It was first published in 2009 by Putnam. The novel takes place in Washington D.C. and other states, some years after the events of Capital Crimes. The book continues the story of the Lee family of Delano, Georgia.

With the 2020 census in its final month, the U.S. statistical community fears rushed deadlines and political interference could lead to a seriously flawed head count. They want Congress to take two steps to avoid that fate: ensure that the Census Bureau has enough time to do the job right, and create an independent oversight body to track the agency's efforts. The primary purpose of the ... Census experts fear rush to finish tally will yield flawed ... - LONDON "The British government is mulling fresh restrictions on everyday life in England, potentially in the big northern cities such as Liverpool and Manchester, amid mounting fears that hospitals in coronavirus hot spots may soon be overwhelmed by growing numbers of patients.
