was a master of biblical
exposition, carefully mining the
biblical text for every ounce of
true meaning, every nuance of
doctrine, and every point of
personal application he could

heartfelt conviction and
persuasive insight. He was warm

Sovereign, and man is a
responsible creature. But in this
book we are treating of the
Sovereignty of God, and while
the responsibility of man is
readily owned, yet, we do not
pause on every page to insist on
it; instead, we have sought to
stress that side of the Truth which
in these days is almost universally
neglected. Fri, 30 Oct 2020

few years. It is apparent that Van
Sant knows nothing about the
area -- talking about highways,
for example, that simply do not
exist. How hard would it ... Mon,
