Face of ... - Hope is the elevating
feeling we experience when we
see - in the mind's eye- a path to a
better future. Hope acknowledges
the significant obstacles and deep
pitfalls along that path. True hope
has no room for delusion.â€• â€•

Anatomy of Hope Quotes by
Jerome Groopman - Hope is
commonly regarded as the feeling
that what is desired is also
possible. Today, the concensus is
that this feeling can increase one's
overall ability to cope with stress
by reducing fears and anxieties. It
is our assumption, therefore, that
much of the illness of mankind
can be eliminated by enhancing
the hope of human individuals.
