Bill Owens, president of the Coalition of African-American Pastors, told Breitbart News recently one of the primary reasons racial tensions still exist is because of policies that have torn apart the fabric of black families. We've seen decades of policies that helped destroy the black family and the black community, Owens explained. Wed, 28 Oct 2020 02:56:00 GMT Black Lives Matter Aims to 'Disrupt' Family Structure ... - The Black Guerrilla Family (BGF) formed at a time when the California Department of Corrections (CDC) was a hot bed of gang activity. There was a black power movement going on, the prison reform movement going on and the drug game and street culture were at the beginnings of what it would turn into over the next several decades. Coping With the ... - The family structure of African Americans has long been a matter of national public policy interest. A 1965 report by Daniel Patrick Moynihan, known as The Moynihan Report, examined the link between black poverty and family structure. It hypothesized that the destruction of the black nuclear family structure would hinder further progress toward economic and political equality. African-American family structure - Wikipedia -
