3 Ra Salvatore - This final book
of the excellent Demonwars
Trilogy does a fine job of
wrapping up the tale. While it
starts off rather slow (thus the 4
stars, instead of 5), the final 1/3
of the book is excellent. As all of
the plot threads introduced in this
book and the previous one come
to a head, you'll have a hard time
putting this one down. Fri, 11 Sep
