Fri, 04 Sep 2020 21:26:00 GMT Amazon.com: The Future Evolution of Man: The Divine Life ... - After Man: A Zoology of the Future is a work of TRUE science fiction. Normally when fiction is meant to be "educational" it is often an attempt to explain facts. But fiction is better at capturing the imagination. Of showing the potential and patterns rather than individual statements. After Man understands this. Mon, 30 Nov 2020 18:09:00 GMT After Man: A Zoology of the Future by Dougal Dixon - The Future 100 takes a snapshot of emerging trends for 2017, spanning culture, tech and innovation, travel and hospitality, brands and marketing, food and drink, beauty, retail, health, lifestyle, and luxury. As we look ahead to 2017, markets are confident, even though assumptions have been questioned and narratives overturned.
