<p>Verticality, architectural and social, is at the heart of Colson Whitehead's first novel that takes place in an unnamed high-rise city that combines twenty-first-century engineering feats with nineteenth-century pork-barrel politics. Mon, 23 Nov 2020 18:53:00 GMT The Intuitionist by Whitehead, Colson (ebook) - This book shows how idealism is a consequence of the intuitionist method. Idealism develops from mental content inspected by mind, or as mind characterizing itself. Weissman declares that the idea of an independent world, of a nature whose character and existence are independent of mind, cannot be
