full moon, William and the Night Gardener work deep into the night. Use this door hanger to invite others to view your work, but also to keep others from distracting you while you create your magic. After all, masterpieces can happen overnight. The Night Gardener The Night Gardener Sat, 21 Nov 2020 10:56:00 GMT A Masterpiece Awaits - The Night Gardener is a wonderfully written dark fantasy, a spooky house story for children, set in Victorian England. It follows the paths of Molly and Kip, two orphaned Irish siblings who procure servant positions in a creepy old mansion that's been overtaken by a large, dark tree which has grown into it. Amazon.com: The Night Gardener (9781419715310): Auxier ... - Parents need to know that The Night Gardener is a dark, scary horror story that delivers satisfying chills along with thoughtful messages on courage, empathy, and the power of storytelling. The supernatural creature stalking a desperate family might be too spooky for sensitive readers. Several characters meet a gruesome end, and others recount how they became orphaned.
