Watch Weekend Murders | Prime Video - While an Italian film, The Weekend Murders was filmed entirely on location in England. It's a really goofy, comedic murder-mystery in the vein of Clue. The camera work is playful which in turn gives us really, really great POV shots. I had a lot of fun watching this, can't ask for anything more from a movie, I was thoroughly entertained.

Violence and controversies during the George Floyd ... - Concerto per pistola solista (1970)The Weekend Murders Instantly watchable and delightfully cheap Italian Giallo film. OK, maybe I'm wrong, but I don't think it's so

inept. If you want to watch great Italian Giallo spoofing maybe you should watch this for a base to judge Agatha Christie British films on.
