10:23:00 GMT THOMAS &
FRIENDS HENRY - Henry is a
green mixed-traffic tender engine
who works on the Main Line. He
was originally a failed prototype
engine, and needed special Welsh
coal to operate properly.
Following his accidentwhen
pulling the Flying Kipper, Henry
underwent an extensive rebuild,
giving him a new shape and
better performance. 1 Biography

Fandom - Henry. Henry is the
No. 3 green engine. He is a long
and fast engine and has a
thoroughbred look. Like all
thoroughbreds, he tends to be a
little high-strung and a bit of a
worrier. But on any day he'll give
any engine a run for its money.
Fun Fact! Before his shape was
changed, Henry had to have
special coal brought in so he
could run properly. Sat, 28 Nov
