The K.O. Lee grinder is an older  
model (possibly a 360) from what  
I can tell, the smallest T & C  
grinder in K.O. Lee's lineup. The  
grinder came with a load of flat  
belt pulleys to drive the grinder

spindle. From what I got from an  
online K.O. Lee manual, the  
spindle is a B 6055 B. Tue, 01
