

Le Roman de Tristan et Iseut, by M. Joseph Bédier, Tristan and Iseult, alternatively known as Tristan and Isolde, is a chivalric romance retold in numerous variations since the 12th century. The story is a tragedy about the adulterous love between the Cornish knight Tristan (Tristram, etc.) and the Irish princess Iseult (Isolde, Yseult, etc.); while the details differ from one author to another, the overall plot structure remains much the same.
