The Lightening of Empowerment The way it had always been: Managers did the thinking, Supervisors did the talking, and employees did the doing. This is not very satisfying for the employees who often have the best ideas to improve sales, quality & efficiency. When employees are not empowered they tend to not get Tue, 24 Nov 2020 14:42:00 GMT Zapp! The Lightening of Empowerment - Zapp! is a book that my company uses in the management training seminars we give to employees who are taking on management responsibilities for the first time. Lessons on empowerment are told through a fictional (even science fictional) story of managers at a large company coming to understand why their organization is so dysfunctional.
